

Little Salmon Carmacks First Nation has Chinook Salmon for Citizens

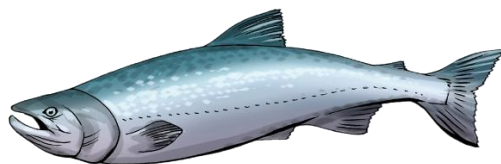

We have got Wild Chinook Salmon caught off the coast of BC for Little Salmon Carmacks First Nation Citizens.

Thursday August 26th in the afternoon the truck is expected to arrive in Whitehorse. Our Lands and Resources team will be distributing to Whitehorse citizens at the Yukon Inn parking lot.

Please make sure you bring your status card or citizenship card.

The truck will then leave to Carmacks and Cathy and Liz will be distributing to Carmacks citizens at the LSCFN Admin Building.

Citizens 16 and up are eligible for a Salmon. Larger Families will tentatively receive more than one.

In order to keep Salmon Fresh as it is on ice there will be no holding or sending of Salmon.

This is in person pick up.
