

JOB OPPORTUNITY

Water Treatment Plant Operator-In-Training

Mount Nansen Mine Site (near Carmacks, YT) – 3-Month Fixed Term Role

Rotation: 14 days on – 14 days off

On-Site Accommodations, Per Diems and Mileage provided

Ensero Solutions is an environmental consulting and remediation business with specific expertise in environmental assessments, active/passive water treatment, microbiological testing, and turnkey remediation services for the mining industry and broader industrial sectors. At Ensero, we get the opportunity to make a positive impact on the environment and people's lives. We're building a culture where people can grow their careers and are challenged to solve our client's toughest environmental problems.

About the Role

Reporting to the Site Supervisor, the Operator-In-Training will be responsible for supporting the operations of the Mount Nansen Water Treatment Plant and perform general site care and maintenance work.

Key Responsibilities

- Learn to operate a Water Treatment Plant through:
 - on-the-job training led by Lead Water Treatment Plant Operator; and
- Support lead operator in optimizing plant performance and troubleshoot upset conditions;
- Support plant process improvement test work and maintenance activities;
- Support general care and maintenance activities on site including site pumps, distribution systems (water, electrical and fuel), communication systems, buildings, and roadways;
- Support the maintenance of all on-site equipment in good and safe working order by performing regular inspections, maintenance and repairs;
- Ensure the cleanliness/safety of the site;
- Conduct daily/weekly/monthly sampling, inspections and monitoring of tailings area, ponds, and water from various sources at site; and
- Prepare daily/monthly/quarterly summary reports of site operation including time tracking.

About You

- High school diploma or equivalent.
- Safety conscience and willing to comply with MNRLP Health & Safety Policy and practices.
- Self-motivated and driven. Ability to solve simple math problems.
- Is in good physical health, able to lift a minimum of 50 lbs, stand/bend/stoop for long periods of time, and work outdoors in all weather conditions.
- Is in possession of a valid Driver's License, and able to drive to job site.
- Willing to work in remote location with small team; able to work independently.
- Able to safely operate hand tools, small machinery, and other necessary equipment (training can be provided).
- Able to operate or be willing to be trained to operate equipment (e.g., loader and excavator).
- Has the ability to understand, carry out, and develop oral and written instructions in English.
- Will be required to pass a pre-employment drug and alcohol screening.
- Preferred candidates may be required to provide a criminal record check before commencement of employment

How to Apply

To apply for this role, please send your resume to hr@ensero.com or drop them off to the LSCFN office. Application deadline is December 9th, 2022.
